Birthing Kit Foundation (Australia) Donation / Information Request Form

Who are we?

The Birthing Kit Foundation (Australia) works with organisations and communities to provide a clean birthing environment for women in developing countries in order to reduce the incidence of infant and maternal mortality.

What do we do?

We respect peoples' dignity and values and work according to principles of basic human rights. We raise awareness, provide support and resources and act as a catalyst for the creation of birth attendant training programmes and community development projects.

The Foundations' vision is a world in which all women have access to safe birthing practices, regardless of race, culture or socio-economic status.
